We present to you the 1976 Trojan in appreciation for the many years of service you have given to us and to North Crawford.

Raymond and

On June 1, 1947 two people began their employment w
what was then known as Gays Mills High School. In the 2
years that have followed they have become well acquainte
with all students and faculty that have attended Gays Mil
High School and the past 11 years that we have been kno
as North Crawford High School.

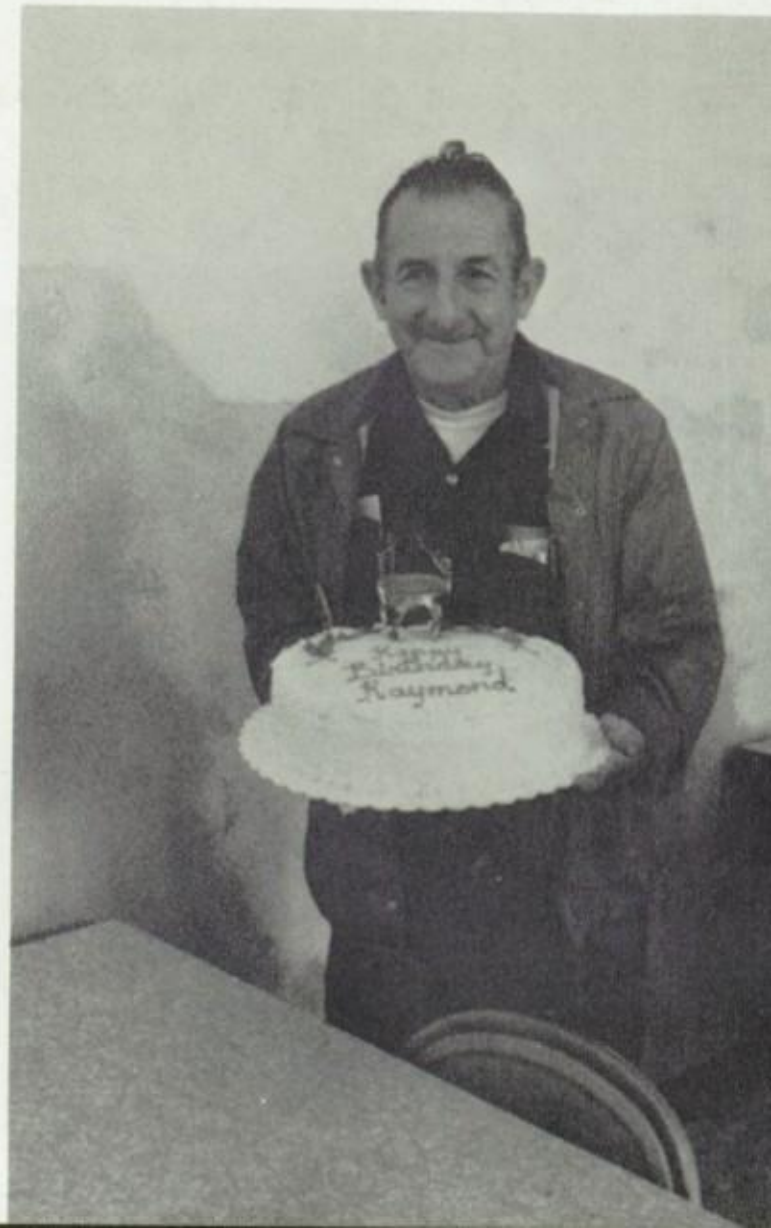
Raymond Celebrates His 18th Birthday.



Their desire to do their best possible job to help keep the wheels of NCHS turning is evident throughout the day as well as the evening functions of our school.

Because of your great dedication to North Crawford, we would like to dedicate our 1976 TROJAN to you—

Mr. Hady and Mr. Winsor conducted their classes in part of the gym while their rooms were under construction.

The 1975-1976 school year brought about ne classroom facilities at N.C.H.S. A $750,000,000 bond issue for the school district was passed for construction at the senior high and middle school

Vocational shops and classrooms were constructe and new home economics and business education areas were added. Although construction created many inconviences, both students and faculty did a good job of adjusting during the period.

In Memoriam
Carol E. Johnson

"You never really leave
a place you love
Part of it goes with you,
leaving a part of you behind."

Death is never easy, but it is especially hard when one is young. It is a great shock and hard to accept when one has so much of life left ahead. This can be said of our friend and classmate, Carol E. Johnson, whose death came very unexpectedly. It touched almost everyone of us in some way and brought us to thinking more of life and death.

Some will come and some will go
We shall surely pass
when the wind that left us here
returns for us at last.
We are but a moment's sunlight
fading on the grass.

Life comes and goes as a part
of nature,
But since she was called away,
life is not quite the same.

She bade no one a last farewell
Nor even said goodbye.
She was gone before we knew it,
And only God knows why.

Her death touched us all, our
friend and classmate,
But she did not go alone,
For part of us went with her
the day God called her home . . .

As We Turn Back the Pages of Time . . . .

We will all have pleasant memories of the "1975" prom. The Juniors chose as their theme "A Time For Us," a song from Romeo and Juliet.

Juniors have reason to be proud, being the first class to make money on prom. The Juniors dedicated the prom to the graduating Seniors. Memories can be so beautiful . . . .

We Look Back on "A Time for Us"

A time for us some
day there'll
be
When shains are torn by
courage born
Of a love that's free,
A time when dreams so long
denied can flourish
As we unveil the love we
now must hide
A time for us at last to see
A life worthwhile for you and
me,
And with our love through
tears and thorns
We will endure as we pass
surely through ev'ry storm
A time for us someday there'll
be
A new world
A world of shining hope for
you and me
A time for us.

Alberto Acevedo

Alberto Acevedo is a foreign exchange student from Mexico City, Mexico. He came to our school on September 30, 1975. His father is a banker in Mexico. He has four brothers and one sister. While in the United States, Alberto stayed with the Wendal Showner family. Alberto plans to be a pschyciatrist and come back to the United States to work.

His stay here was shortened because he had to go to college back in Mexico. He left for Mexico on December 22, 1975. Alberto's classes consisted of social problems, English, phy-ed, bookkeeping, and U.S. History. Alberto said in one of his letters "I had the absolute time of my life and I shall never be able to forget it." The students won't forget him either!

Sugako Hasegawa

Sugako is a foreign exchange student from Niigata, Japan. Sugako arrived in America August 27, 1975. Although he experiences were very different for her, it wasn't her irst stay in America. A few years ago she stayed with a amily in the upper part of Michigan for a month.

Sugako is living with Mr. and Mrs. Bud Everson. She finds hat the American family is quit different than her home fe in Japan.

At her home in Japan she has two brothers. Her father wns a hospital near there home and works there as a urgeon.

At North Crawford, she has a very busy schedule. Here lasses are: Social Problems, English, Spanish, Band, Phy-d, and Typing. The first semester of school she was on he high honors.

Sugako will be staying with the Everson until the end of he school year. She will then go back to her home and inish her education.

While Sugako stayed here at Crawford, she has shown us a art of her home life in Japan.

All those practices,
All those drills,
They worked as a team,
Trying to perfect their
Play and to find a winning combination.
The team rebounded from
Defeat to victory, only
To be reminded that what
Separates winners from
Losers is sometimes but
A single point. But
There's always satisfaction
In knowing that the team
Did their best.

The 1975 football Trojans completed a fine 6-3 season. The highlight of the season was the 27-21 win over Westby. The successful season was a reflection of the fine leadership given the team by the seniors and the hard work put in by everyone involved.

Jim Drake became the first 1,000 yard rusher in the school's history. He ended the season with 1,426 yards. This, of course, was done on great effort by Jim, but also is a tribute to the entire offensive team.

At the time the yearbook went to press, the Trojan basketball team had a 14-0 record, was first in conference and was rated first in Wisconsin's Little Ten. The team has a defensive average of 25.9, the lowest in the state.

We have high hopes for our 1975-76 basketball team to go a long way again this year.
